

In 1935

I was accosted on the street
and asked for a dime
I had only a nickle
but I knew this was part
of the price of a can
of Sterno
hot stuff to get high

I was accosted in 1942
and asked for my cock which
any one can have that can
make use of it

In 1953 they wanted my wife
and I had to say they
would have to ask her
and her answer was no business
of mine nor anyone else

If they want my life now --
what can they do with it
I have not done much
but I would still like
to try again

If my ass

Had not had
a mole on it

The discovery
was all

The surgeon
could talk about
